

**JANUARY
2024**

Dear KidsCo Families,

We hope everyone had a great holiday and New Year! KidsCo is excited to bring in this new year with some awesome clubs. While we will be closed on January 15th for Martin Luther King Jr. Day, we are looking forward to an eventful ALL DAY on January 29th when MCPS is closed for a Professional Day. The weather is getting colder, so please remember to follow our Emergency/ Snow Closing Policies. KidsCo will be open from 6:30am-6:30pm on snow days as long as the MCPS Central Administrative Offices are open. Parents are advised to call or to check our website & social media prior to bringing their

children to the center on snow days to confirm that we will be in the building on time. KidsCo may need to delay opening the center to allow for the sidewalks and parking areas to be cleared of snow and ice. If the MCPS Central Administrative Offices are closed, KidsCo will not have access to the building; therefore, we will also be closed. The Main Office voicemail will reflect snow closing information. We will also send out a mass email with snow closing information to all families who have provided us with a valid email address. Lastly, we suggest that families watch the local news for all snow closing information.

Description: Sophia Spencer has loved bugs ever since a butterfly landed on her shoulder--and wouldn't leave!--at a butterfly conservancy when she was only two-and-a-half years old. In preschool and kindergarten, Sophia was thrilled to share what she knew about grasshoppers (her very favorite insects), as well as ants and fireflies . . . but by first grade, not everyone shared her enthusiasm.

Audience: 3-5

Author: Stacy McAnulty

Description: Lucy Callahan was struck by lightning. She doesn't remember it, but it changed her life forever. The zap gave her genius-level math skills, and ever since, Lucy has been homeschooled. Now, at 12 years old, she's technically ready for college. Except, she must pass one more test, middle school!
