BOOKS OF THE MONTH

K-1

Description: Famous at Hector P. Garcia Elementary for being the first kid in kindergarten to ever start a band, Lupe Lopez enters first grade seeking a new sort of fame. She's ready to rock and roll straight into the role of Reading Rock Star! But despite her best efforts, the words she *thought* she knew--now grouped in sentences--only glare back at her. Stuck in Group A with the kids who can't read, she becomes the object of a rival's mockery. Will her beloved band, and her confidence, survive the sting of defeat? Leave it to Lupe to prove that the beat she feels when she taps her pencil isn't so very different from words and sentences--and that a real rock star is someone who doesn't give up.

4th & Up

Description: Olive Cobin Zang has . . . issues. And they *mostly* aren't her fault. (No, really!) Though she often slips under the radar, problems have a knack for finding her. So, imagine her doubts when she's suddenly dropped off at the strangest boarding school ever--a former castle turned prison that's now a "reforming arts school"! But nothing could've prepared Olive for RASCH (not "rash"). Turns out that RASCH is in danger of closing, unless Olive's class can stop the heist of the century. And as Olive falls in love with this wacky school, she realizes it's up to her new team to save the only home that's ever welcomed them.

2-3

Description: When a new kid comes to stay with his grandmother at the house next door, Shermy's plans for a quiet, relaxing summer are completely upended. That's because Shake is *nothing* like Shermy. And Shermy is *nothing* like Shake. Shermy likes to read quietly in the shade of a tree. He knows the proper way to do a puzzle. He collects treasures in the pouch he wears around his neck, and the books on his shelves are alphabetized by author. Shake likes to play street hockey or space explorers. He gobbles up rocket ice pops and Toaster Tarts. He shows up unannounced and plays board games by his own rules. As the two boys are forced to spend more and more time together, will they learn how to get along? Or will it be one long countdown until Shake goes home?
