K-1

**Description:** It's Thanksgiving and this time the Old Lady is swallowing a turkey, a ball, a hat, a balloon, a boat, some wheels, and a horn of plenty! With hilarious illustrations and a lively rhyme, this is sure to be a seasonal favorite!

2-3

**Description:** When Grace's teacher reveals that the United States has never had a female president, Grace decides she wants to be the nation's first and immediately jumpstarts her political career by running in her school's mock election! This timely story not only gives readers a fun introduction to the American electoral system but also teaches the value of hard work, courage, independent thought -- and offers an inspiring example of how to choose our leaders.

4th & Up

**Description:** Having spent 27 years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. Instead, Ivan occupies himself with television, his friends Stella and Bob, and painting. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes.
