MEET THE STAFF:

Jill Reich
Director

Hi, families! I'm thrilled to be starting my 13th year with KidsCo and my eighth year as a Director! I love traveling, crafting, and have recently discovered a new hobby of learning jump rope skills. As active as my family is, my husband, kids, and I also enjoy relaxing together with a lazy movie day at home. I'm excited to reconnect with returning families, welcome new ones to our community, and make this another amazing school year filled with fun, laughter, and wonderful memories. Here's to a fantastic year ahead!

Autumn McKesson

Hi! My name is Autumn, and I'm excited to be starting my third year with KidsCo! I love creating a fun, positive, and welcoming environment where every child feels included, supported, and encouraged to be themselves. I enjoy planning creative activities, building meaningful relationships, and making wonderful memories with the kids throughout the school year. Outside of KidsCo, I enjoy photography, taking walks, and spending time with my friends and family. I'm looking forward to another amazing year filled with fun, learning, and lasting memories!

Chris Baker

Hi everyone! I'm Chris, and I've been part of the KidsCo family since I was a child myself! Over the years, I've had the opportunity to work at a variety of KidsCo locations during both the summer and the school year, and I'm so excited to be part of the founding team at Sandy Spring Friends School. Outside of work, I love spending time outdoors, especially if it involves swimming, as well as reading, watching a great TV show, and spending time with friends. I'm looking forward to getting to know all of our families and making this a fun, memorable, and exciting school year at Sandy Spring Friends School!

Audrey Curtis

Hello! I'm excited to be starting my first year with KidsCo after spending two wonderful years working in the SSFS aftercare program. I love spending time outdoors, going to the beach, and staying active. I'm passionate about creating a fun, safe, and welcoming environment where children can learn, grow, and have fun every day. I also hope to combine my love of working with children with a future career in pediatric healthcare. Fun fact: I come from a big family with six siblings, so I'm no stranger to busy, energetic environments! I can't wait to get to know all of the children and families and make this a fantastic school year!
